Tokyo Marathon

Lottery will be conducted for marathon race in Tokyo Marathon 2009

The number of applicants for the marathon race in Tokyo Marathon 2009 has exceeded the quota of 30,000 just two days after the registration had started. Therefore, entrants will be decided by lottery.

If the number of applicants exceeds the quota of 5,000 in the 10km race, entrants will be decided by lottery as well.

Number of applicants

Marathon(42.195km):	34,014 (Maximum number of entrants 30,000 runners)
10km:	3,179 (Maximum number of entrants 5,000 runners)
Total:	37,193

Schedule

Registration deadline ...No later than September 22

Announcement of successful entrants ...Mid-November
