

# Notice to All Visitors of the TOKYO MARATHON MUSEUM

In the interest of public health and safety, we are implementing  
the following procedures.

We thank you for your cooperation in advance.

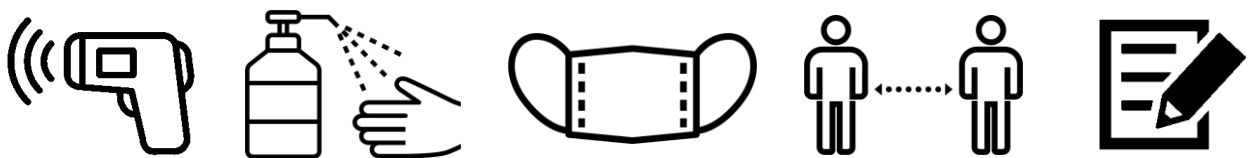

## —For the Safety of our Visitors—

① **Body Temperature Check and Use of Hand Sanitizer**  
Please do not enter if you have a temperature of 37.5°C.

② **Mask Required**  
For your safety and the safety of others, please wear a face mask  
at all times when you are inside the Museum.

③ **Maintain Social Distance**  
Please practice social distancing within the Museum.

④ **Please Fill In the Visitor Form**  
We may share this information to the government agencies within  
legal requirements if infection is detected.

## — The Precautions We are Taking —

### Protecting our Staff

- We require all of our staff to wear a face mask.
- Promoting frequent hand washing, gargle and use of sanitizer.
- Body temperature check prior to their shift.

### Enhanced Cleaning and Disinfecting

- We frequently disinfect and sterilize the Museum.
- We disinfect high-touch surfaces, including used pens.
